As an alum, you may continue to use your Handshake account. If your Caltech Access account has been deactivated and you’re having trouble logging into Handshake, please log in using your email address and password.

1. Visit https://caltech.joinhandshake.com/login
2. Click on “sign in with your email address”, NOT the “Student Login” button:

3. Type the email address associated with your account. After graduating from Caltech, you may change your email address (e.g. alumni or gmail account), by editing your profile.

4. Type your password. That should log you in, if you continue to have trouble with that, please contact the Career Development Center at 626-395-6361, or career@caltech.edu.
